

Your Ability to Withdraw Funds

Our general policy is to make funds from your deposits available to you on the same business day that we receive your deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our posted closing time on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our posted closing time or on a day we are open, we will consider that the deposit was made on the next business day we are open.

Longer Delays May Apply

In some cases, we will not make all of the funds that you deposit by check available to you on the same business day. Depending on the type of check that you deposit, funds may not be available until the second (2nd) business day after the day of your deposit. The first \$100 of your deposits, however, may be available on the same business day.

If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- ➔ We believe a check you deposit will not be paid.
- ➔ You deposit checks totaling more than \$5,000 on any one day.
- ➔ You redeposit a check that has been returned unpaid.
- ➔ You have overdrawn your account repeatedly in the last six (6) months.
- ➔ There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh (7th) business day after the day of your deposit.

Special Rules for New Accounts

If you are a new member, the following special rules will apply during the first thirty (30) days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the same business day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth (9th) business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second (2nd) business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth (9th) business day after the day of your deposit.

Check Cashing

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

Your Other Accounts

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Deposits at Automated Teller Machines

Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the second (2nd) business day after the day your deposit is removed from the ATM. Generally deposits are removed from ATM's twice a week.

Shared Branch Deposits at PFCCU

Funds deposited by non-members into the shared branch network will not be available until the second (2nd) business day after the day of your deposit. If you will need the funds from a deposit right away, you should ask your credit union when the funds will be available.

Cash Withdrawal Limitation

We place certain limitations on withdrawals in cash. In general, we allow up to \$5,000 of a member's available funds to be withdrawn in cash during one business day.

Deposits at Other Locations

This availability policy only applies to funds deposited at a PFCCU branch location. Please inquire for information about the availability of funds deposited at other locations.
